The story of Adam (AS) and the lessons learned

5

Quick summary: Allah told angle Gibrail to collect samples of all different types of soil and clay to make Adam (AS)

- Allah finally made Adam (AS) alive, to see angles prostrating
- out of respect; an order from Allah
 - * This cant be done today *
- Except shaytan - arrogant and stood back

مَا مَانَعَكَ إِلَّا تَسْجُدَ أَيُّ أَمْرَتِكَ

أَنَا خَيْرٌ مِنْهُ خَلَقْتَنِي مِنْ نَارٍ وَخَلَقْتَهُ مِنْ طِينٍ

(I'm better than him, superiority)

• Never feel arrogant, even when you pray, واستجدوا اقربوا

* Hadith: A person who has an atoms weight of arrogance.

- Arrogant people will be the size of ants on the day of judgement (people will be stepping over them)

• So shaytan refused to make sujud, and looks at Adam (AS) with anger and arrogance

- led to shaytan to be expelled from Allah's mercy

- When one makes Sajdah (while reading from the Quran), the shaytan goes away while crying.
- That when being was ordered to prostrate and he did, ^{so jannah was his reward} but I was ordered to prostrate and I didn't, so for me is the fire
- shaytan (how was he before) and because of arrogance was the complete opposite.
- Shaytan did not take this lightly, from this day he made himself Allah's enemy
- Requested 3 things: make him live forever
 - Allah accepted
 - shaytan then promised to misguide everyone

(You have to stay aware, you have to know who he is so we can fight him #wrestler example# Just how much he hates when you obey Allah)

- NOW SEE ALLAH'S MERCY (AFTER shaytan promised to misguide humans) that he will forgive as long they repent.

• Allah placed Adam and Eve (He created her from Adam) in Jannah

قال يا آدم أسكن أنت وزوجك الجنة ...

• Paradise amazing; Allah warned Adam (As) that the shaytan is his enemy

- Adam does not know why shaytan hated him
 - even today when your successful, people hate you why?
 - because of your success, even if you didnt do anything to them

- Shaytan starts to think how to get to Adam
 - only one way; Disobey Allah

- shaytan slick; swears by Allah to Adam and tells them he's advising them for the better
 - do you want to live here for ever?

- الام أنهما لكم من تلكا الحجره
 - وأقول كما إن الشيطان لكم عدو من صبين

- they asked for forgiveness

* قال رب انظنا انفسنا وان لم نغفر لنا وترحمنا لنكونا من الخسرين

- Difference between Adam (AS) and Iblis

فَتَلَقَ أَرْمٌ مِّن رَّبِّهِ كَلِمَاتٍ فَتَابَ عَلَيْهِمْ إِنَّهُ
صَوَّ التَّوَابِ الرَّحِيمِ

- They go down to Earth, and all this will be a test. Struggle between man and shaytan until the day of Judgement
- we have to know shaytan, to know how to tackle him
