"STORY OF THE MAGICIAN and the couple" -

Imagine going to magician to hurt someone,

- ruin his life
- give him diseases and pain (etc.)

who is this devious?

This person does not realize that he is accountable, and Allah will ask him for this oppression,

→ "إِنَّ يَوْمَ يَظُنُّ أُولَٰئِكَ أَنَّهُم مَّبْعُوثُونَ... يَقُومُ النَّاسُ

لِرَبِّ الْعَالَمِينَ" - سورة البتغين

"Do such people not think that they shall be raised up on the last day? No meaning The Day when all mankind shall stand before the Lord of the worlds"

- Nothing is hidden, you see it w/ your eyes.
- Even animals you can harm > then what about people?
"women go to hell cause of a cunt!"

Islam is Justice!

"magicians have horrible lives, no kids?" ← generally

How to protect yourself from magic:

1. Seek refuge with Allah from devils, Jinns, magicians etc.

"أعوذ بالله من الشيطان الرجيم" basically

2. "Be pious and observe God's orders as he says"

3. Rely on Allah

- nothing can harm you without him, or the other way around.
(EXPLAIN LATER)

4. Repent - sometimes its a punishment, or a test from Allah (SWT)

5. Sadakah - "داوا مرضاكم بالصدقة"

"cure your sick with charity"

6. Quran and "ruqyah"

- surah Al-Baqarah - no devil comes near for ≈ 3 days

- You want Muslim success

- stay away from a magician, sorcerer, palm reader, etc.

- harming other people, "you give away your good deeds, and carry their bad ones"

- This is just a summary, if you did anything, go back to Allah and Ask for forgiveness,
